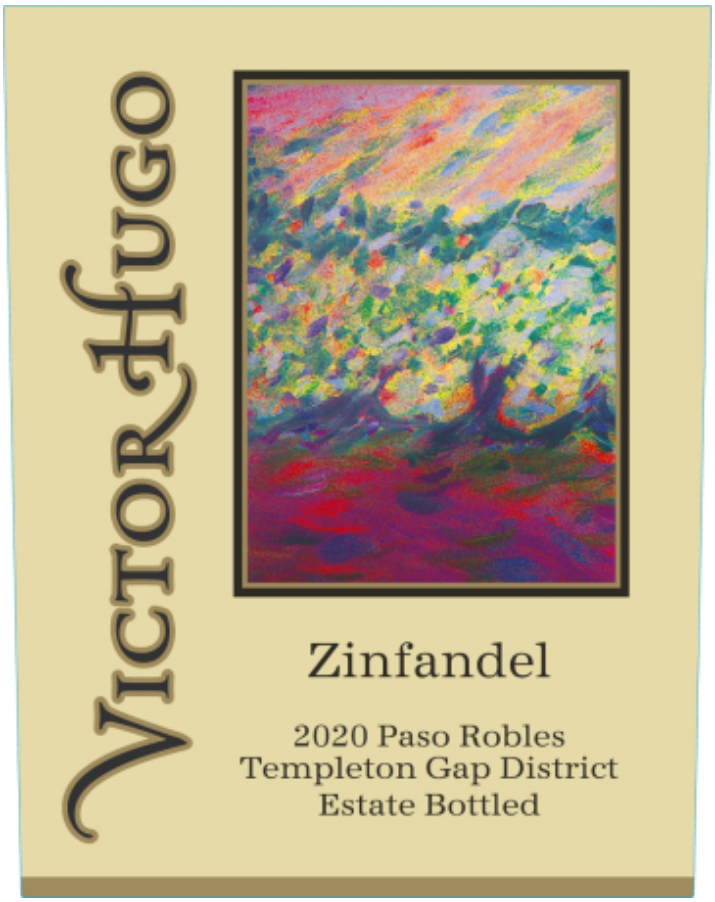
VICTOR HUGO

Tasting Notes

2020 Estate Zinfandel (sold out)



Intense, explosive aromas of red raspberries,with notes of blackberry and bittersweet chocolate. Elegant tannins with vibrant berry flavors complimented by hints of oak and a racy, crisp finish.

Cellaring: While delightful now, this concentrated Zinfandel will continue to develop in the bottle with proper cellaring for another 4-6 years with a plateau of best drinkability from 2024-2028.

Food selection: We believe this Zinfandel enhances any number of meals with rich sauces (especially red). It continues to be our favorite red wine with seafood and chicken dishes.

Victor Hugo Vineyards and Winery is one of Paso Robles' most exciting and innovative wineries. We're also a small, family-owned and operated winery specializing in small, hand-crafted lots of wine with intense colors and flavors. The winery is dedicated to producing elegant, rich wines exhibiting excellent longevity. Victor Hugo -- the promise of the Paso Robles area.
