VICTOR HUGO

Tasting Notes

2019 Modo (Late Harvest Malbec))

Intense, deep aromas of boysenberries and baking spices with notes of chocolate. Rich, lingering tannins complimented with spicy oak and a lingering rich finish.

Cellaring: While delightful now, this concentrated Malbec port will continue to develop in the bottle with proper cellaring for another 10-15 years with a plateau of best drinkability from 2027-2037.

Food selection: Think romance!! This Malbec port enhances many desserts especially chocolate or pungent cheeses. It continues to be our favorite wine for sipping by a roaring fire.

Victor Hugo Vineyards and Winery is one of Paso Robles' most exciting and innovative wineries. We're also a small, family-owned and operated winery specializing in small, hand-crafted lots of wine with intense colors and flavors. The winery is dedicated to producing elegant, rich wines exhibiting excellent longevity. Victor Hugo -- the promise of the Paso Robles area.
