Tasting Notes

2022 Estate Viognier

Aromas of honeysuckle and ripe apricots are intertwined with elusive hints of almond blossom in the background. Rich, silky mouth feel from fermentation plus 5 months of passive lees contact in Hungarian oak barrels culminates with a long, rich finish.

Cellaring: Drink now!! This Viognier will continue to improve with proper cellaring for another 12-24 months, but why wait??

Food selection: This Viognier will enhance soft ripe cheeses, spicy Asian cuisine as well as richer ocean selections such as scallops, oysters, and lobster.

Victor Hugo Vineyards and Winery is one of Paso Robles' most exciting and innovative wineries. We're also a small, family-owned and operated winery specializing in small, hand-crafted lots of wine with intense colors and flavors. The winery is dedicated to producing elegant, rich wines exhibiting excellent longevity. Victor Hugo -- the promise of the Paso Robles area.
