

VICTOR HUGO

Tasting Notes

2021 Legend of the Ages Reserve

Intense, complicated, structured and extravagant. Aromatics emanating from the multi-varietal blending include hints of crushed violet, ripe plum, cherries, bittersweet chocolate intertwined with vanillin from extended barrel aging. Flavors are deep and rich with multiple layers of rich oak. The finish is long and lush with piquant acidity ensuring excellent aging potential.

Cellaring: While enjoyable currently, this multidimensional reserve blend will continue to improve with proper cellaring for another 8-12 years in the bottle with best drinkability from 2030-2038.

Food selection: This supple, complex wine will enhance any elegant meat entrees. Our favorites include filet or prime rib as well as more exotic game selections such as bison or elk.
