VICTOR HUGO

Tasting Notes

2022 Estate Petite Sirah

A delightful aroma profile best described as “spice rack” meets ripe plums. Fresh ground black pepper, bay leaf and clove predominate with rich plum notes in the background. This wine is a mouthful with an elegant sufficiency of tannins and toasty oak followed by an extended, rich finish.

Cellaring: While enjoyable now, this intense Petite Sirah will continue to improve with proper cellaring for another 5-10 years in the bottle with a plateau of best drinkability from 2030-2036.

Food selection: Best match for rare beef and most spicy fare! Rich, red, sauces, Cajun, and heavy continental dishes of all types are enhanced with this concentrated Petite Sirah.

Victor Hugo Vineyards and Winery is one of Paso Robles' most exciting and innovative wineries. We're also a small, family-owned and operated winery specializing in small, hand-crafted lots of wine with intense colors and flavors. The winery is dedicated to producing elegant, rich wines exhibiting excellent longevity. Victor Hugo -- the promise of the Paso Robles area.
