VICTOR HUGO

Tasting Notes

2023 Estate Cabernet Franc

Intense aromas of bing cherries and spices are complimented by a background of spicy oak. Rich flavors with layers of complex, supple tannins interlocking with rich oak flavors and a long, intense finish.

Cellaring: While enjoyable now, this 100% Cabernet Franc will continue to improve with proper cellaring for another 3-6 years in the bottle with a plateau of best drinkability from 2027-2030.

Food selection: This elegant wine will compliment a large array of food dishes but is best with beef, lamb and ripe cheeses.

Victor Hugo Vineyards and Winery is one of Paso Robles' most exciting and innovative wineries. We're also a small, family-owned and operated winery specializing in small, hand-crafted lots of wine with intense colors and flavors. The winery is dedicated to producing elegant, rich wines exhibiting excellent longevity. Victor Hugo -- the promise of the Paso Robles area.
