Growing conditions: Early! Budbreak in 2014 was nearly 3 weeks early with great growing conditions: no frost, warm days/cool nights during the growing season with harvest finishing 10 days early. While quality is excellent due to tiny berry size, yields were small due to our 3rd year of drought.

Winemaking: We crushed into a stainless fermentor, then added FX-10 yeast 48 hours later. The must was pumped over twice daily for 14 days prior to pressing. After malolactic fermentation, this wine was aged in American oak barrels for 20 months prior to bottling.

Victor Hugo Vineyards and Winery is one of Paso Robles' most exciting and innovative wineries. We're also a small, family-owned and operated winery specializing in small, hand-crafted lots of wine with intense colors and flavors. The winery is dedicated to producing elegant, rich wines exhibiting excellent longevity. Victor Hugo -- the promise of the Paso Robles area.
