Acidity: 0.69g/100ml

PH: 3.50

Residual sugar: 0.03 g/100ml

Date bottled: December 18, 2020

Cases produced: 293

Growing conditions: Late Winter rainfall (all in March). light frost (whites) and cool spring/early summer produced great fruit set. Thinning and warm summer days led to an outstanding late harvest with excellent quality and yields.

Winemaking: We crushed into a stainless fermentor, then added D-80 yeast 48 hours later. The must was pumped over twice daily for 12 days prior to pressing. After malolactic fermentation, this wine was aged in French and American oak barrels for 20 months prior to bottling.

Victor Hugo Vineyards and Winery is one of Paso Robles' most exciting and innovative wineries. We're also a small, family-owned and operated winery specializing in small, hand-crafted lots of wine with intense colors and flavors. The winery is dedicated to producing elegant, rich wines exhibiting excellent longevity. Victor Hugo -- the promise of the Paso Robles area.
