Growing conditions: Abundant winter rainfall starting in December lasted until April. Multiple small rain events led to all of the moisture soaking into the vineyard soil profile. No frost and a mild spring produced great fruit set. Judicious thinning coupled with a long warm summer led to an outstanding late harvest with excellent quality and yields.

Winemaking: The grapes were hand harvested, then crushed into stainless fermentors. 24 hours later the must was inoculated with D80 yeast then pumped over daily for an average of 16 days prior to pressing. After completion of malolactic fermentation, this proprietary blend was aged for 20 months in French and Hungarian oak prior to bottling.

Victor Hugo Vineyards and Winery is one of Paso Robles' most exciting and innovative wineries. We're also a small, family-owned and operated winery specializing in small, hand-crafted lots of wine with intense colors and flavors. The winery is dedicated to producing elegant, rich wines exhibiting excellent longevity. Victor Hugo -- the promise of the Paso Robles area.
