Growing conditions: Minimal winter rainfall until a wet March averted an extreme drought. No frost events but windy conditions during bloom led to a smaller fruit set. The lighter crop coupled with a long warm summer led to an outstanding earlier, small harvest with excellent quality.

Winemaking: The grapes were hand harvested, then crushed into a stainless steel fermentor. 24 hours later, the must was inoculated with D-80 yeast then pumped over twice daily for 16 days prior to pressing. After completion of malo-lactic fermentation, this Malbec was aged for 24 months in French and Hungarian oak prior to bottling.

Victor Hugo Vineyards and Winery is one of Paso Robles' most exciting and innovative wineries. We're also a small, family-owned and operated winery specializing in small, hand-crafted lots of wine with intense colors and flavors. The winery is dedicated to producing elegant, rich wines exhibiting excellent longevity. Victor Hugo -- the promise of the Paso Robles area.
