Growing conditions: Minimal winter rainfall until a wet March averted an extreme drought. No frost events but windy conditions during bloom led to a smaller fruit set. The lighter crop coupled with a long warm summer led to an outstanding earlier, small harvest with excellent quality.

Winemaking: The grapes were hand harvested, then crushed into stainless fermentors. 24 hours later the must was inoculated with D80 yeast then pumped over daily for an average of 16 days prior to pressing. After completion of malolactic fermentation, this proprietary blend was aged for 24 months in French and Hungarian oak prior to bottling.

Victor Hugo Vineyards and Winery is one of Paso Robles' most exciting and innovative wineries. We're also a small, family-owned and operated winery specializing in small, hand-crafted lots of wine with intense colors and flavors. The winery is dedicated to producing elegant, rich wines exhibiting excellent longevity. Victor Hugo -- the promise of the Paso Robles area.
