Growing conditions: Not for the faint of heart! Vicious frost on April 5th and 6th recorded 25 degree mornings. No need for thinning as crops averaged about 50% of normal after a rather warm summer, harvest was earlier than average at Victor Hugo. The light crop allowed grapes to be harvested at optimum maturity producing beautiful wines.

Winemaking: The grapes were hand harvested, then whole cluster pressed while still cool. Barrel fermented in 33% new and 67% seasoned French oak barrels. The wine was aged on its lees passively for 5 months. This process produced a richer mouthfeel and allowed the wine to be bottled with minimal filtration.

Victor Hugo Vineyards and Winery is one of Paso Robles' most exciting and innovative wineries. We're also a small, family-owned and operated winery specializing in small, hand-crafted lots of wine with intense colors and flavors.
